No:

I. Identification of Animal

Name	Breed	Sex	Age	Color	Microchip

II. Country Resided In	II. Address of Premises	III. Dates of Residence (mm/dd/yyyy)

IV. Animal Health Attestations:

I, the undersigned, certify that the horse described above meets the following:

- a. The horse(s) have resided in _____ (insert Great Britain or Northern Ireland) for at least seven (7) days after residency in APHIS recognized screwworm affected country/ies, and I have examined the horse(s)⁽³⁾ including their external genitalia, for screwworm after the seven (7) days of residency and immediately prior to export to the United States, and found them to be free of screwworm infestation.
- b. The horse(s) have resided in _____ (insert Great Britain or Northern Ireland) for at least five (5) days immediately prior to export to the United States after residency in APHIS recognized Foot and Mouth Disease affected country/ies.

No:

Examining Veterinarian			
OV ⁽¹⁾ ⁽⁴⁾	Printed Name	Signature	Date

I. I, the undersigned, certify that:

RCVS is an Official Veterinarian⁽¹⁾ of the Department for Environment, Food and Rural Affairs (DEFRA) or of the Department of Agriculture, Environmental and Rural Affairs (DAERA) and is authorised to sign this certificate;

Competent Authority of Animal Health			
Official Stamp ⁽²⁾	Printed Name ⁽²⁾	Signature ⁽²⁾	Date

Footnotes:

- ⁽¹⁾ An Official Veterinarian (OV) is an authorized veterinarian of the Department for Environment, Food and Rural Affairs (DEFRA) or of the Department of Agriculture, Environmental and Rural Affairs (DAERA).
- ⁽²⁾ Original wet-ink signatures are required.
- ⁽³⁾ Horses, including their external genitalia, must be thoroughly examined. Horses may require tranquilization or sedation for the examination.
- ⁽⁴⁾ The examination of the horse needs to be performed by either a full time salaried veterinary official of DEFRA/DAERA or a veterinarian acting on behalf of DEFRA/DAERA (OV)
