NATIONAL UNION OF MINeworkERS

General Fund

Notes

(forming part of the financial statements)

for the year ended 31 December 2021

1 Statutory information

The National Union of Mineworkers is a trade union registered with the Certification Office under reference number 199T. The principal address is Miners' Offices, 2 Huddersfield Road, Barnsley, South Yorkshire, S70 2LS.

The financial statements are presented in sterling which is the functional currency of the Union and rounded to the nearest pound.

2 (a) Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Union's financial statements.

(b) Basis of preparation

The financial statements have been prepared in accordance with the provisions of Section 1A "small entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Trade Union and Labour Relations (Consolidation) Act 1992. The financial statements have been prepared under the historical cost convention, with the exception of investment properties and investments which are carried at fair value.

The financial statements summarise the transactions and net assets of the Union.

(c) Significant Judgements and Estimates

The significant judgements and estimates used in the preparation of the financial statements are:

- i) The National Union of Mineworkers Officials' and Permanent Employees' Superannuation Fund is included in the financial statements at a valuation determined by an independent actuary. The assumptions used are detailed in note 24 of the financial statements
- ii) The NEC considers that the current carrying value of investment property in the financial statements is a reasonable representation of its actual market value. No independent valuation was obtained at the year end. The accounting policy for this is detailed in note 2 (i)

(d) Area income and expenditure

With the exception of Nottingham, South Derbyshire, Yorkshire, Lancashire, North East and Scotland, the financial statements do not include the funds and the income and expenditure of the Constituent Associations, as they are separately constituted Unions and prepare their own financial statements. Nottingham, South Derbyshire, Yorkshire, Lancashire, North East and Scotland are no longer Constituent Associations and are a direct part of the National Union. The net assets of these Areas are therefore incorporated in these financial statements.

NATIONAL UNION OF MINeworkERS

General Fund

Notes

(forming part of the financial statements)

for the year ended 31 December 2021

(e) **Contributions**

In accordance with the Union's rules, Areas deduct an agreed amount before paying the remaining net contributions for the full 52 weeks to the General Fund. In accordance with Rule 31, the General Fund pays to the Political Fund the equivalent of four weeks contributions. The Political Fund in turn repays the contributions of those members who are exempt from the Political Fund.

(f) **Investment income**

Income from investments is included in the Income and Expenditure Account in the year in which it is receivable.

(g) **Government grants including furlough payments**

Grants which are received for compensation for expenses or losses which have already been incurred are recognisable in income when the grant is received or receivable.

(h) **Fixed assets**

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Office furniture and equipment	-	10% per annum on diminishing value
Computer and other electrical equipment	-	25% per annum on diminishing value

The current headquarters of the National Union of Mineworkers are based in Barnsley and are owned by the National Union of Mineworkers Yorkshire Area Trust Fund.

(i) **Investment Property**

Holly Street investment property is included in the financial statements at net book value. This treatment does not comply with the requirements of the Financial Reporting Standard 102 (FRS102) which requires investment properties to be stated at market value. The NEC considers the current valuation of the Investment properties at 31 December 2021 to be equivalent to market value.

Checklist for auditor's report

(see notes 90 and 96)

The checklist below is for guidance. A report is still required either set out overleaf or by way of an attached auditor's report that covers the 1992 Act requirements.

1. In the opinion of the auditors or auditor do the accounts they have audited and which are contained in this return give a true and fair view of the matters to which they related? (See section 36(1) and (2) of the 1992 Act and notes 92 and 93)

Please explain in your report overleaf or attached.

2. Are the auditors or auditor of the opinion that the union has complied with section 28 of the 1992 Act and has:

- a. kept proper accounting records with respect to its transactions and its assets and liabilities; and
- b. established and maintained a satisfactory system of control of its accounting records, its cash holding and all its receipts and remittances. (See section 36(4) of the 1992 Act set out in note 92)

Please explain in your report overleaf or attached

3. Your auditors or auditor must include in their report the following wording:

In our opinion the financial statements:

- give a true and fair view of the matters to which they relate to.
- have been prepared in accordance with the requirements of the sections 28, 32 and 36 of the Trade Union and Labour Relations (consolidation) Act 1992.

NATIONAL UNION OF MINEWORKERS

Year ended 31 December 2021

Independent Auditors' Report to the members of National Union of Mineworkers

Opinion

We have audited the financial statements of National Union of Mineworkers (the 'Union') for the year ended 31 December 2021 which comprise specify the titles of the primary statements and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 December 2021, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the sections 28, 32 and 36 of the Trade Union and Labour Relations (Consolidation) Act 1992.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter – defined benefit pension scheme

In forming our opinion, which is not qualified, we have considered the adequacy of the disclosures within the Union's financial statements, and inclusion in the financial statements of the total defined benefit scheme activities and net pension asset, as the Union is principal employer. The financial statements incorporate assets and liabilities relating to the defined benefit pension scheme for the other area employers which have not been quantified due to the circumstances outlined in accounting policy note 2(l).

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the officials' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the National Executive Committee with respect to going concern are described in the relevant sections of this report.

NATIONAL UNION OF MINeworkERS

Year ended 31 December 2021

Independent Auditors' Report to the members of National Union of Mineworkers (continued)

Other information

The other information comprises the information included in the National Executive Committee's annual report, other than the financial statements and our auditor's report thereon. The officials are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Trade Union and Labour Relations (Consolidation) Act 1992

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the National Executive Committees report (incorporating the strategic report and the secretary's report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the secretary's report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Union and its environment obtained in the course of the audit, we have not identified material misstatements in the National Executive Committees report.

We have nothing to report in respect of the following matters in relation to which the Trade Union and Labour Relations (Consolidation) Act 1992 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Union was not entitled to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice.

NATIONAL UNION OF MINeworkERS

Year ended 31 December 2021

Independent Auditors' Report to the members of National Union of Mineworkers (continued)

Responsibilities of Trustees

As explained more fully in the Trustees responsibilities statement set out on page 1, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the officials determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the officials are responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the officials either intend to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud is detailed below:

We gained an understanding of the legal and regulatory framework applicable to the Union and the industry in which it operates, and considered the risk of acts by the Union that were contrary to applicable laws and regulations, including fraud. We design audit procedures to respond to the risk, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

We focussed on laws and regulations which could give rise to a material misstatement in the financial statements, including, but not limited to the Trade Union and Labour Relations (Consolidation) Act 1992. Our tests included agreeing the financial statement disclosures to underlying supporting documentation and enquiries with management. There are inherent limitations in the audit procedures described above and, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. We did not identify any key audit matters relating to irregularities, including fraud. As in all our audits, we also addressed the risk of management override of internal controls, including testing journals and evaluating whether there was evidence of bias by the members that represented a risk of material misstatement due to fraud.

NATIONAL UNION OF MINeworkERS

Year ended 31 December 2021

Independent Auditors' Report to the members of National Union of Mineworkers (continued)

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/Our-Work/Audit/Audit-and-assurance/Standards-and-guidance/Standards-and-guidance-for-auditors/Auditors-responsibilities-for-audit/Description-of-auditors-responsibilities-for-audit.aspx>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Union's members, as a body, in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the Union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union and the members as a body, for our audit work, for this report, or for the opinions we have formed.
