

EMPLOYMENT TRIBUNALS (SCOTLAND)

Case No: 4110314/2021

Employment Judge M Whitcombe

Mr D Hamill

<u>Claimant</u>

N-Sea Offshore Limited (In Administration)

Respondent

JUDGMENT

The claim is struck out under rule 37 of the Rules contained in Schedule 1 of the Employment Tribunals (Constitution and Rules of Procedure) Regulations 2013 on the grounds that the claim has not been actively pursued in terms of rule 37(1)(d).

REASONS

- 1. On 22 November 2022 the claimant wrote to the Tribunal providing a short update as to steps taken to ask the administrator for consent to proceed with the remaining head of claim, namely a claim for a protective award, or any application to the court for such permission.
- 2. As no further correspondence had been received, the Tribunal wrote to the claimant on 17 February 2023 seeking a further update. No reply was received from the claimant.
- 3. On 16 March 2023 the Tribunal gave the claimant an opportunity to give written reasons by 30 March 2023 or to request a hearing in order to consider why the claim should not be struck out. No reply was received from the claimant.
- 4. The claimant has failed to give an acceptable reason why such a judgment should not be made or to request a hearing. The Tribunal therefore strikes out the claim.
