

e) Import permit no. :

4298EHC (Cleared 12/11/1997)(revised 25/04/2023)

IV. Health Information

•

I, the undersigned, hereby certify that the animal described overleaf meet the following requirements:

- (a) on , being not more than 48 hours prior to the proposed date of export, the said animal was examined and found to be free from clinical signs of infectious or contagious disease, including anthrax, Aujesky's disease and rabies, and, in my opinion, is fit to travel;
- (b) a written declaration has been received from the owner/exporter stating that the said animal has been kept in the United Kingdom for the past six months or since birth;
 - (c) no case of rabies other than those due to European Bat Lyssavirus (EBL1 or 2) has occurred in the United Kingdom during the past 2 years.
 - (d) a written declaration has been received from the owner/exporter stating that the said animal will be transported in containers constructed in accordance with recognised International Air Transport Association (I.A.T.A.) standards being either new or containers which have been cleansed and disinfected before use;
- This certificate is valid for 10 days from the date of signature. v.
