#### Annex A National Highway's assessment of the proposed development

National Highways has been appointed by the Secretary of State for Transport as a strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the Strategic Road Network (SRN). The SRN is a critical national asset and as such we work to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity.

This response represents our formal recommendations with regards to S62A 2023 0017 and has been prepared by Mark Norman.

*The site is located to the east of M11 junction 8 (proposed access off Tilekiln Green) a previous app UTT/21/0332/FUL for a similar use on the site was submitted back in 2018. After some discussion and investigation National Highways had no objections to the proposals. This application is not significantly different to that proposal. Consequent National Highway have no objection to the of permission.*
