Subject: Section 62A Planning Application: S62A/2023/0017 - Land at Tilekiln Green, Stansted, Great Hallingbury

To Whom It May Concern,

I strongly object to this planning application on the basis of the level of disruption that it will cause to the local area.

It will not be suitable for residents to have such a large operation happening in a residential area, as you will have considerable amount of noise pollution, not to mention the traffic it will cause as well as the residents closest to the site would have to deal with all this on their front door, 24/7.

Kind regards,
