## **62A Planning Application: S62A/2023/0017 - Land at Tilekiln Green, Stansted, Great Hallingbury**

Please refuse the permission for this new development! The noise, the pollution will be terrible. The roads barely cope now with traffic how would these roads cope with increased heavy good vehicles. It doesn't bring anything to the area of benefit only detrimental to the area. This is something that needs to be on an industrial estate not next to residential areas, or areas of natural beauty.

Kind regards  
Jade Mann
