

Kingston upon Hull City Council

What does the rule relate to?	Rule	Live example (before and after)
Revealing a TPO charge	TPO's will only be revealed if they are covered by the search extent	<p>Before: A degree of flexibility allows TPO's sitting outside the search extent to be revealed on a search result</p> <p>After: The search result would only reveal a charge that is included in the extent search area</p>
Financial charges	For part 2 financial charges, the rate of interest will say "Interest may be payable, contact the local authority for details"	<p>Before: Not all part 2 charges had an amount originally secured or a rate of interest</p> <p>After: All part 2 charges contain the amount originally secured. Contact the LA to find information on the rate of interest</p>
Supplementary information length	Some charges exceeded the maximum length for supplementary information. These charges have been truncated to accommodate the 1500-character limit	<p>Before: Full text for supplementary information.</p> <p>After: Truncated description of charge</p>
Addresses	Addresses have been populated for all charges	<p>Before: Some charges would only have an address referenced in the description of the charge</p> <p>After: All charges have addresses or a geographic description of the affected land</p>

Charge types and sub-categories	All charges in the register now contain a charge type and a sub-category in accordance with the HMLR schema	<p>Before: Subtype = miscellaneous</p> <p>After: Charge-type = Housing / buildings Charge-sub-category = Works, repairs or authority action (Example of a previous miscellaneous part 4 charge)</p>
Originating authority for ancient monuments	<p>The originating authority for ancient monuments is now set to "Secretary of State"</p> <p>Charges registered by other originating authorities are set to read the registering originating authority</p>	<p>Before: Kingston Upon Hull City Council</p> <p>After: Secretary of State</p>
Further information location for ancient monuments and listed buildings	Add a link to Historic England's website for ancient monuments and listed building charges	<p>Before: Local Land Charges, The Guildhall, Alfred Gelder Street, Hull HU1 2AA</p> <p>After: https://historicengland.org.uk/listing/the-list/</p>
Spatial data	All charges contain an appropriate geometry	<p>Before: Not all charges contained polygons and instead had point data</p> <p>After: Points have been replaced with a polygon where a point is not an appropriate representation of the charge extent</p>
