<b>Alert Number</b>	2210-0005
<b>Product Type</b>	Electrical appliances and equipment - Multi-functional Portable Vehicle Power
<b>Product Identifiers</b>	SKU: G1122-CR5876UK Model: HN-538
<b>Product Description</b>	Emergency power supply for powering car with USB sockets for charging other devices
<b>Country of Origin</b>	China
<b>Counterfeit</b>	Unknown
<b>Risk Type</b>	Electric shock and fire
<b>Risk Description</b>	<p>The product presents a risk of electric shock and fire as this appliance is a socket mounted device. The pins on the device did not comply with BS1363-1. When tested with the relevant gauge, it was found that the lengths of the live and neutral pins were too short. This power supply unit was a plug-in device intended for direct mounting onto a BS 1363 socket. The pins on this device were not compatible with that socket, therefore there is a risk of overheating from the inadequate plug pins. The instructions were inadequate as they did not contain sufficient information to ensure the correct and safe use of the equipment, which may present a risk of electric shock to users.</p> <p>The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.</p>
<b>Corrective Measures</b>	Recall of the product from end users
