

Trafford Borough Council

What does the rule relate to?	Rule	Live example
Originating authorities	Originating Authorities on the left of the ' ' are replaced by the right so that they match HMLR accepted list by removing addresses, updating to current name etc.	Trafford Council, Town Hall, Talbot Road, Stretford, M32 0TH Trafford Borough Council
Listed Buildings - Further information location	For all Listed buildings the further information location and reference number is updated for customers to self-serve on HE website	'For further details please see Historic England's website at https://historicengland.org.uk/listing/the-list '
Financial Charges rate of interest	This updates the rate of interest for financial charges, where the field was empty, with set text	Contact Trafford Council for further information
Conditional planning consents, CIL multiple/ no address	For CILs and conditional planning charges that don't have a structured address/ have multiple addresses, the address is taken from a separate address field	The address is now being pulled from another field to give the overall geographic description of the charge
Charge creation dates	Charge creation dates set to match the charge registration date	Before: charge creation date not always mentioned in search results. After: charge creation date will match the registration date.

Trafford Borough Council

TPOs – buffer zone	HMLR will only reveal TPOs that fall within the exact search area	Before: Trafford's buffer zone around TPOs mean they may be revealed on neighbouring charges due to overhanging branches. After: charges will only be revealed if they're within the exact search extent.
