Subject: Development objection

Planning number S62A/2023/0017,

I'm a resident of Great Hallingbury ,and I'm objecting to planning permission of this site,

Increase in traffic though the village , Wildlife under threat on site , HGV s turning onto B1256 will be dangerous, and extremely noisy for surrounding properties, Just not suitable for a small village ,as the rood is narrow with no pathway ,

Lesley Wilson
