Subject: Objection to Section 62A Planning Application: S62A/2023/0017 - Land at Tilekiln Green, Stansted, Great Hallingbury

Dear Sir/Madam,

I strongly object to this planning application by FKY Limited for the reasons listed below:

The site is within the countryside protection zone
Increased noise pollution to residents and surrounding area
Increased air pollution to residents and surrounding area
Increased light pollution to residents and surrounding area
Damage to local flora and wildlife
Excess traffic through a village with little to no pavement is dangerous to pedestrians, cyclists, horse riders and other road users
The B1256 road is already overused
The current infrastructure could not adequately accommodate more vehicle movements, the village is already used as a cut through
Residential area is not suitable for 24/7 industrial operation

Kind regards,

Kwok Man
