I would like to object against this planned development on the grounds of:

1. Destroying green belt
2. Infrastructure cannot cope - schools and roads
3. Impact on wildlife habitat and trees - the land in question is home to many species of animals. We have already had so much of our woodlands and green space developed on e.g. Forest Hall Parl, Elms Farm, Walpole Farm.
4. Other brownfield sites available

Do we really need more dwellings that no one local can afford to buy?

Regards

Sharon
