

EXPORT OF CARNIVORES FROM GREAT BRITAIN TO POLAND

NOTES FOR GUIDANCE (NFG) FOR OFFICIAL VETERINARIANS AND EXPORTERS

This document should not be read as a standalone document but in conjunction with 9040EHC.

1. SCOPE OF THE CERTIFICATE

This certificate may be used for the export of Carnivores to Poland, where the certification takes place in Wales, Scotland or England, i.e. Great Britain only.

A note on English text and translation:

Please note that this certificate is taken from an English translation provided by Polish Authorities and the English text is therefore constrained by their model certificate.

The Polish authorities will issue a permit which will specify the import conditions and the information to be included on the certificate. Exporters and OV's should check this information against 9040EHC to ensure all licence conditions are included. If any amendments to the certificate are required, please contact APHA.

2. EXPORTING COUNTRY

Although the certificate has been prepopulated with UNITED KINGDOM, this certificate should and can only be issued for animals that are certified in England, Scotland and Wales (i.e. Great Britain).

3. CERTIFICATION

The basic principles of certification apply and although this is not an EU level harmonised EU entry certificate, the general requirements that the EU specifies for its harmonised certificates should be followed.

4. COMPLETING THE EXPORT HEALTH CERTIFICATE (EHC) FORM

PLACE OF LOADING

In the case of traveling by plane, write "name of the airport". In case of traveling by sea, write "name of the port". In case of traveling by land, write "name of the establishment where the animals are loaded onto means of transport".

MEANS OF TRANSPORT

Write the means of transport for animals leaving the country of dispatch, and indicate its identification:

- aircraft (indicate the flight number);
- vessel (indicate the vessel name);
- railway (indicate the train identity and wagon number);
- road vehicle (indicate the registration number with trailer number, if applicable).

In the case of a ferry, tick 'vessel' and identify the road vehicle(s) with registration number (with trailer number, if applicable), in addition to the name and number of the scheduled ferry.

HEALTH ATTESTATION

1). d)

Tuberculin test should be either tuberculin skin test or gamma-interferon blood test and results of the test should be attached to the health certificate.

Disclaimer: This certificate is provided on the basis of information available at the time and may not necessarily comply fully with the requirements of the importing country. It is the exporter's responsibility to check the certificate against any relevant import permit or any advice provided by the competent authority in the importing country. If these do not match, the exporter should contact the APHA Centre for International Trade, in Carlisle, via the link below.
