Industry Partnerships

Reimagining Government Property, together

Our vision is to deliver a transformed, shared, sustainable and value for money government office estate, supporting civil servants to work productively in every national and region of the UK.

Our partnerships with Combined and Local Authorities, developers, landlords and suppliers are ensuring the UK Government benefits from:

- Delivering the property elements of:
 - Levelling Up
 - Net Zero
 - Civil Service Reform
- Greatly reducing carbon emissions
- Supporting a modern Civil Service
- Improving Civil Service capability and capacity
- Supporting place planning and regional regeneration projects
- Achieving significant cost savings

We provide a full end-to-end property solution:

- Contractor
- Owner
- Occupier
- Service provider

Working better together to create a smaller, better and greener government office estate:

- Regional economic growth
- Industry-leading deals
- Develop new ways of thinking
- Challenge the standards
- Ensure we're all improving
- Identify efficiencies and innovations
- Returning savings to the public purse
