I.28 Identification of the commodities		
Species (Scientific name)	Approval number of establishments / Manufacturing plant	Net weight

Part II. Certification

Animal Health

I, the undersigned official veterinarian, declare that I am aware of the relevant requirements of the GB Regulations, and certify that the hides and skins described in Part I of this certificate:

AH/A609 Animal requirements

have been obtained from:

[animals that have remained in the territory of the country of origin for at least three months before being slaughtered or since birth in the case of animals less than three months old;]

[in the case of hides and skins from bi-ungulates, animals come from holdings which meet GB requirements regarding foot and mouth disease;]

[in the case of hides and skins from swine, animals that come from holdings which meet GB requirements regarding swine vesicular disease, and classical and African swine fever;]

[animals that have shown no evidence of ^(*)[foot-and-mouth disease], ^(*) [rinderpest], ^(*)[classical swine fever], ^(*)[African swine fever] or ^(*)[swine vesicular disease] during ante-mortem health inspection at the slaughterhouse during the 24 hours before slaughter;]

II.a. Certificate reference no.	II.b.
---------------------------------	-------

AH/A701 Animal requirements

originate from a country or, in the case of regionalisation in accordance with GB law, from a part of a country from which imports of all categories of fresh meat of the corresponding species are authorised and which:

(a) for at least 12 months before dispatch, has been free from the following diseases:

(*)[classical swine fever; and African swine fever; and]

(*)[rinderpest; and]

(b) (*)[has been free for at least 12 months before dispatch from foot-and-mouth disease and where, for 12 months before dispatch, no vaccination has been carried out against foot-and-mouth disease;]

AH/A751 Animal requirements

have been obtained from animals that:

(*) **EITHER** [were slaughtered and their carcasses are fit for human consumption in accordance with GB law;]

(*) **OR** [were slaughtered in a slaughterhouse, after undergoing ante-mortem inspection, and were considered fit, for slaughter for human consumption in accordance with GB law;]

AH/P015 Product requirements (segregation)

have undergone all precautions to avoid contamination with pathogenic agents;

(*) Keep as appropriate.

Official Veterinarian / Official Inspector

By signing this certificate, I certify that the requirements laid out above and in the accompanying notes for completion have been met.

Name (in capital letters):

Qualification and title:

Date:

Stamp:

Part III. Notes for completion

These notes for completion must be read and understood by the certifying officer before signing the certificate. Notes are set out in sections that correspond to the sections in the certificate. By signing this certificate, certifiers are verifying that the consignment meets the requirements set out in the certificate and any relevant corresponding notes for completion.

These notes do not need to be printed as part of a paper certificate that accompanies the consignment or in any electronic copy of the certificate.

References to European Union legislation within this certificate are references to direct EU legislation which has been retained in Great Britain (retained EU law as defined in the European Union (Withdrawal) Act 2018) and can be viewed on the UK legislation website (legislation.gov.uk).

References to Great Britain in this certificate include Channel Islands and Isle of Man.

References to GB requirements refer to the requirement(s) of Great Britain as set out in the accompanying notes for completion.

Part I

- Box reference I.6: *Person responsible for the consignment in Great Britain*: this box is to be filled in only if it is a certificate for transit commodity; it may be filled in if the certificate is for import commodity.
- Box reference I.11 and I.12: *Approval number*: the registration number of the establishment or plant, which has been issued by the competent authority.
- Box reference I.12: *Place of destination*: this box is to be filled in only if it is a certificate for transit commodity. The products in transit can only be stored in free zones, free warehouses and custom warehouses.
- Box reference I.15: Registration number (railway wagons or container and lorries), flight number (aircraft) or name (ship); information is to be provided in the event of unloading and reloading.
- Box reference I.19: Use the appropriate HS code: 41.01; 41.02 or 41.03.
- Box reference I.23: For bulk containers, the container number and the seal number (if applicable) should be given.
- Box reference I.25: *Technical use*: any use other than for animal consumption.
- Box reference I.26 and I.27: Fill in according to whether it is a transit or an import certificate.

Part II

Animal Health

By signing this certificate, you, the official veterinarian, are certifying that you have read and understood Regulation (EC) No 1069/2009 and in particular Article 10 thereof, and Commission Regulation (EU) No 142/2011, and in particular Annex XIV, Chapter II thereof.

AH/A609 Animal requirements

Diseases not applicable to the species concerned must be deleted.

In the case of hides and skins from bi-ungulates, GB requirements are that animals must come from holdings in which there has been no outbreak of foot-and-mouth disease in the previous 30 days, and around which within a radius of 10 km there has been no case of foot-and-mouth disease for 30 days.

In the case of hides and skins from swine, GB requirements are that animals must come from holdings in which there has been no outbreak of swine vesicular disease in the previous 30 days, or of classical or African swine fever in the previous 40 days, and around which within a radius of 10km there has been no case of these diseases for 30 days.

AH/A701 Animal requirements

**Fresh or chilled hides and skins of
ungulates (FH-U)
GBHC540**

Diseases not applicable to the species concerned must be deleted.

AH/A751 Animal requirements

No further notes for completion.

AH/P015 Product requirements (segregation)

No further notes for completion.
