Hi Mark,

The address noted on the application form aligns with that of the application form which was provided as part of the validated (and determined) planning application (ref. 22/0267/FUL) which we attach for reference which was not queried by UDC. However, given that the reference to Stansted has no particular importance, we are amenable to the address being amended to: Land at Tilekiln Green, Start Hill, Great Hallingbury CM22 7TA should this be preferred.

Thanks,

Richard
