Dear [Redacted]

## **REQUEST FOR INFORMATION: Environmental Principles Consultation**

Thank you for your request for information of 18 April 2023 about the Environmental Principles consultation. We have handled your request under the Environmental Information Regulations 2004 (EIRs).

The EIRs apply to requests for environmental information, which is a broad category of information defined in regulation 2 of the EIRs. Public authorities are required to handle requests for environmental information under the EIRs. They give similar access rights to the Freedom of Information Act 2000 (FOIA).

Your information request and our response are set out below.

*Please provide me with copies of the full responses as specified in (a) to (d) below to the consultation that Defra held on the draft environmental principles policy statement that ran from 10 March to 2 June 2021:*

- a) 15 responses from large businesses*
- b) 1 response from a medium business*
- c) 17 responses from industry associations*
- d) 16 responses from government bodies*

The information you have requested is attached. Some responses were received via the 'Citizens Space' website, these responses are contained in the spreadsheet attached at Annex C. The remainder of the responses are attached individually.

After careful consideration we have decided that some information should be withheld under regulations 12(3) and 13(1) and (2A) of the EIRs as the information constitutes personal data relating to persons other than you. These regulations exempt personal information from disclosure if that information relates to someone other than the applicant, and if disclosure of that information would breach any of the data protection principles in Article 5(1) of the UK General Data Protection Regulation (GDPR).

We consider that disclosure of this information is likely to breach the first data protection principle, which provides that personal data must be processed lawfully, fairly, and in a transparent manner. Disclosure would not constitute 'fair' processing of the personal data because the individuals concerned would not reasonably have expected their personal details to be made public.

Information disclosed in response to this EIRs request is releasable to the public. In keeping with the spirit and effect of the EIRs and the government's Transparency Agenda, this letter and the information disclosed to you may be placed on [GOV.UK](https://www.gov.uk), together with any related information that will provide a key to its wider context. No information identifying you will be placed on the GOV.UK website.

We attach Annex A, explaining the copyright that applies to the information being released to you, and Annex B giving contact details should you be unhappy with the service you have received.

If you have any queries about this letter please contact me.

Yours sincerely
