Alert Number	2304-0070
Product Type	Electrical appliances and equipment – Bathroom cabinet
Product Identifiers	ASIN: B08Y8RK3R2 Other: LK-C4560
Product Description	LED Illuminated Bathroom Cabinet supplied in two separate buff brown cardboard transit packages
Country of Origin	China
Counterfeit	No
Risk Type	Electric shock
Risk Description	The product presents a serious risk of electric shock as the earthing point to the product was considered inadequate as it was a rivet that had not been clamped correctly. Thus, the earth terminal could be rotated by hand and was not considered reliable. The product also failed the electrical strength test and breakdown occurred before the full test voltage was applied and breakdown was instantaneous. After separating the LED driver unit from the product, the driver was tested in isolation with the filter capacitor removed. It still broke down instantaneously between live/neutral and earth. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.
