2023 key stage 1 English reading test

The key stage 1 English reading test consists of 2 papers. The papers must be administered in order. Pupils do not have to sit both papers on the same day. If both papers are administered on the same day, pupils may benefit from a break between papers. Both papers can be administered to the whole class, smaller groups of pupils or on an individual basis.

Paper 2: reading booklet and reading answer booklet

The following information explains how to administer the modified large print (MLP) version of the key stage 1 English reading test: Paper 2 reading booklet and reading answer booklet. Modified test administration guidance is available at www.gov.uk/sta. If you have any questions, you should check with your headteacher or key stage 1 test co-ordinator before you administer the test.

Pupils should be given the opportunity to attempt Paper 2, but administrators can stop individual pupils at any stage of the test if they are struggling.

Please follow these instructions correctly to ensure that the test is properly administered. Failure to administer the test correctly could result in a maladministration investigation.

Format	<ul style="list-style-type: none">● Paper 2 consists of a reading booklet and a separate answer booklet. All pupils must be given an unused reading booklet. Do not re-use reading booklets if you administer the test to groups of pupils at different times.● It is expected that the standard version of the test will take approximately 40 minutes to complete, but it is not strictly timed. Pupils using MLP versions are automatically entitled to up to 100% additional time.● It is at your discretion to choose when, or if, a pupil requires a break during the test or whether, if appropriate, to stop the test early.● The layout of the MLP version of the reading booklet may vary from the standard booklet. Minor changes have also been made to the layout and wording of some questions.● This paper does not include practice questions or lists of useful words.● You must not refer to the standard test questions when administering this test.
Equipment	<p>Each pupil will need the equipment specified below:</p> <ul style="list-style-type: none">● a pencil or blue or black pen <p>Rubbers are allowed, but please encourage pupils to cross out answers they wish to change instead of rubbing them out.</p> <p>Pupils may use the following, if this is normal classroom practice:</p> <ul style="list-style-type: none">● computer, technical or electronic vision aids, including low-vision aids such as closed-circuit television or JOCR scanners <p>If it is normal classroom practice, pupils may use monolingual English electronic spell checkers, provided they do not give definitions of words, or highlighter pens.</p> <p>Pupils must not use dictionaries.</p> <p>You may give pupils additional paper if they request it.</p>

Assistance	<ul style="list-style-type: none"> You must ensure that nothing you say or do during the test could be interpreted as giving pupils an advantage, for example, indicating that an answer is correct or incorrect, or suggesting the pupil looks at an answer again. You may help pupils to identify and interpret any pictorial information within the booklet, and you may 'stop the clock' while pupils examine it. The English reading test must not be read to individuals or to a group, except for the general instructions below. If a pupil asks a question about test content, you must not explain any words or expressions. The example below illustrates how to deal with a common situation: <p>Question: I don't understand the question. Answer: Read the question again and underline the words that tell you what to do.</p>
Guidance for specific questions	<p>When the pupil reaches page 5 of the reading booklet, the test administrator should give the following oral explanation:</p> <p style="text-align: center;"><i>A lighthouse is a very tall, cylinder shaped house that has a light at the top of it which flashes on and off. The light warns ships and boats that they are close to dangerous rocks. A lighthouse is usually surrounded by water and rocks and has no other houses nearby.</i></p> <p>Q4, 8, 12 and 17. Test administrators may help pupils to locate spaces for their answers.</p>
Before the test begins	<ul style="list-style-type: none"> Review the list of pupils with particular individual needs, for example, pupils who may need a rest break, a scribe or a transcript made at the end of the test. Ensure you know how to administer any access arrangements correctly. Please refer to the 2023 key stage 1 access arrangements guidance.
What to do at the start of the test	<ul style="list-style-type: none"> Check that seating is appropriately spaced and that no pupil can see another pupil's answer booklet. Check that pupils do not have mobile phones or other disruptive items. Check that pupils do not have any materials or equipment that may give them extra help. Ensure each pupil who needs it has 1 MLP copy of the reading booklet and 1 copy of the MLP reading answer booklet.

How to introduce the test

- You should use these instructions to introduce the paper. The wording of these instructions can be adapted, provided the meaning is retained.

This is the English reading test Paper 2.

The test will take around 80 minutes. This includes your additional time allowance.

Paper 2 doesn't contain any practice questions and I'm not going to read any of the pages aloud to you this time.

There will be different types of question to answer, including:

- *writing an answer on a line*
- *putting a tick in a box next to the answer you think is correct*
- *putting ticks in a table to show if an answer is true or false*
- *putting numbers in boxes to show the correct order of events.*

Try to answer as many questions as you can.

If you can't answer a question, you should move on to the next one and come back to it later on if you have time.

If you start to find the reading or the questions too hard, you should stop working.

If you want to change an answer, you should rub it out or put a line through the answer you don't want to be marked.

You need to work quietly on your own. You need to think of your own answers and you must not talk about them with anyone else.

Read the questions carefully and check your work.

If you have any questions during the test, put your hand up and wait for me/someone to come over to you. Remember, I/we can't help you answer any of the test questions or read any of the words to you.

Do you have any questions?

Write your name on the front of the answer booklet.

Now start the test.

<p>How to deal with issues during the test</p>	<p>It is impossible to plan for every scenario. Whatever action you take, pupil safety must always be your first consideration.</p> <p>In the following circumstances, you will need to stop the test either for an individual pupil, a group of pupils or for the whole cohort:</p> <ul style="list-style-type: none"> ● test papers are incorrectly collated or the print is illegible ● an incorrect test has been administered ● a fire alarm goes off ● a pupil is unwell ● a pupil needs to leave the room ● a pupil is caught cheating. <p>If you need to stop the test:</p> <ul style="list-style-type: none"> ● make a note of the time ● make sure the pupils are kept under test conditions and that they are supervised ● if the pupils have to leave the room, ensure they do not talk about the test ● speak to your test co-ordinator or a senior member of staff for advice on what to do next ● consider contacting the national curriculum assessments helpline on 0300 303 3013 for further advice. <p>You should brief your headteacher on how the incident was dealt with once the test is over.</p>
<p>What to do at the end of the test</p>	<ul style="list-style-type: none"> ● Follow your school's procedure for collecting and storing the pupils' test scripts. ● All test materials, including unused test papers, must be stored securely until Thursday 1 June. ● If you need to make a transcript of a pupil's test script, complete it with the individual pupil at the end of the test, under test conditions. Particular care should be taken to ensure accurate transcriptions are made and the pupil's answers are not corrected or amended.
<p>Marking the tests</p>	<ul style="list-style-type: none"> ● Use the key stage 1 test mark schemes to mark the test, following both the general guidance and any specific guidance for each question. There are no modified mark scheme amendments for this test paper. ● Be sympathetic to the fact that the handwriting of pupils with visual impairment may be of inconsistent size and formation. They may also have difficulty circling or ticking answers. Award marks where there is a clear and unambiguous indication of the correct answer.
