Subject: Planning application Tilekiln green

I would like to register my objection to this application for the following reasons :

- Loss of flora and fauna
- It will spoil the village
- the roundabout at junction 8 is already rammed at busy times
- the access to gt Hallingbury from b1256 is already a very busy junction with multiple accidents caused.
- the increase in traffic would cause pollution and also endanger pedestrians and cyclists who regularly use this road . There is no pavement!

Yours

Philippa Dann
