Subject: S62A/2023/0016 Warish Hall Farm, Smiths Green Lane, Takeley, Essex, CM22 6NZ

Dear sir/madam,

I would like to OBJECT to this planning permission on the basis of;

1. Removing the aesthetic of the countryside.
2. Destroying wildlife that habitats these areas.
3. Removing the arable farmland that is needed for future growth.
4. Increased traffic pollution.
5. Increased crime hot spots (estates are rife for this).

Please listen to the long standing residents who know and understand what is best for this area rather than greed hungry developers who have no regard for the area we live in.

Kind regards,

Tom Reid
