

## HARBOURS ACT 1964 (AS AMENDED)

### PROPOSED TEESPORT HARBOUR REVISION ORDER

#### NOTICE OF APPLICATION FOR A HARBOUR REVISION ORDER

NOTICE IS HEREBY GIVEN that PD Teesport Limited (“the applicant”) has applied to the Marine Management Organisation (“MMO”) for a Harbour Revision order under section 14 of the Harbours Act 1964.

The proposed order would amend the limits of the harbour within which the applicant exercises jurisdiction as statutory harbour authority at the Ports of Tees and Hartlepool to include an additional area of land (known as South Bank) which is adjacent to a part of the River Tees (that part of the River being within the current limits of jurisdiction of the applicant). The proposed order would do this by amending Schedule 2 to the Tees and Hartlepoons Port Authority Act 1966, which provides for the existing limits of the Ports of Tees and Hartlepool, to include the additional area as shown on the harbour limits plan accompanying the application for the order.

The proposed order would not authorise the construction or alteration of a project or confer development consent. Accordingly, Council Directive 85/337/EEC on the assessment of the effects of certain public and private projects on the environment (as amended) which is codified by Council Directive 2011/92/EU (as amended by Directive 2014/52/EU) does not apply to the proposals and no environmental statement has been supplied.

A copy of the draft order and accompanying documents is deposited at the offices of the applicant at: 17-27 Queen’s Square, Middlesbrough, TS2 1AH. These may be inspected at all reasonable hours until the expiry of the forty-two day period referred to below.

The draft order and accompanying documents are also available for inspection at the offices of the MMO in Newcastle Upon Tyne by appointment at the email address below or may be viewed on the MMO’s website at:

An objection or representation **should**:

- i. be received before the expiry of a period of 42 days starting with the date at the foot of this notice;
- ii. be made in writing quoting reference HRO/2022/00001;
- iii. state the grounds of the objection or representation;
- iv. indicate who is making the objection or representation; and

- v. give an address to which correspondence relating to the objection or representation may be sent.

The MMO will pass to the applicant a copy of any objections and other representations received.

If an objection is duly made and not withdrawn then the MMO may cause an inquiry to be held. Any objections duly made and not withdrawn and any representations duly made will be considered before the MMO decides whether or not to make the order.
