

THE EMPLOYMENT TRIBUNAL

Claimant: Mr R Choudhury

Respondent: London Borough of Southwark

JUDGMENT

The claimant's application dated 9 June 2023 for reconsideration of the costs judgment, sent to the parties on 5 May 2023, is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked. The contents of the application are an attempt to re-argue matters which have already been considered by the tribunal and rejected. The documents that you now seek to introduce were in existence at the time of the hearing and should have been produced then. Similarly, the legal arguments you seek to raise now could have been raised at the time. You are not entitled to a second "bite of the cherry". The Tribunal took into account the evidence called and the submissions made by the parties on the day, and its conclusions are set out in its judgment and reasons. The arguments set out in the reconsideration application do not disclose any arguable basis to reconsider the judgment.
