Alert Number	2203-0333
Product Type	Electrical appliances and equipment – Welding Machine
Product Identifiers	Brand: Vevor Model: MIG-200D3 Batch: G3355-DHJMIG-2003IN1001V2 Other Product Identifiers: RVG3355-211124-0050-737, GBLFD-GC0058
Product Description	Blue welding machine with black power supply cord and plug.
Country of Origin	China
Counterfeit	Unknown
Risk Level	High
Risk Type	Burns, Fire and Explosion
Risk Description	The product presents a high risk of burns, fire and explosion as the earthing arrangements were insufficient to protect the user. The fuse had been modified with wire soldered to the outside of the casing, bypassing the fuse's protective function and removing over-current protection. Under fault conditions, the plug could overheat, ignite and explode, causing a fire and burns to the user and persons nearby. The PCB tracks had also been modified using solder to increase the current carrying capacity. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 or the Plugs & Sockets (Safety) Regulations 1994.
Corrective Measures	The product has been recalled from end users. For further information, access the Vevor recall webpage at: https://uk.vevor.com/pages/Product-Recall-Statement The import has been rejected at the border.
