

Farm Facts Template (includes Woodland Visits)

This form needs to be completed by Countryside Stewardship Higher Tier agreement holders and returned to RPA prior or with the first claim for ED1. Countryside Stewardship Mid Tier agreement holders do not have to complete this form, but they may wish to use it to provide groups with details about the farm.

Section 1

Site Name:

OS Landranger Sheet:

SBI Number:

Scheme reference number:

Adviser e-mail address:

Site description: This should expand on the wording given in the second section to describe the farm stocking and cropping, history, size, etc. It should inspire teachers and group leaders to want to visit the farm.

Directions to Farm

Educational Access

As part of Countryside Stewardship, funding is available to support land managers host visitors to learn in the countryside. Visiting groups must be school parties studying a range of subjects through the National Curriculum, or groups of vulnerable people (care farming) wishing to learn about food production, farming, woodland management, wildlife conservation, landscape and historical features.

These visits must be provided free of charge to the group if the host claims financial support for them through Countryside Stewardship .
