Alert Number	2208-0302
Product Type	Machinery - Small food grinder
Product Identifiers	Barcode: 921017130902
Product Description	Stainless steel 350g food grinder
Country of Origin	China
Counterfeit	Unknown
Risk Type	Electric shock, fire
Risk Level	Serious
Risk Description	<p>The product presents a serious risk of fire and electric shock due to inadequate earthing. The earth connection broke after 15 seconds as it was not adequately fastened and needed to be tightened.</p> <p>Upon testing, it was evident that the crimp had not grabbed onto the wire completely and appeared to be an incomplete crimp termination. This could present a hazard of fire as it is a resistive joint which can cause high temperatures. The plug face was found to fit a BS 1363 plug gauge however the plug was un-approved and therefore considered counterfeit. The fuse also had friction fit end caps and not did contain a ballast, also considered counterfeit which further present a fire/electric shock hazard. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 and Plugs & Sockets (Safety) Regulations 1994.</p>
