

NOTES FOR GUIDANCE (NFG) FOR OFFICIAL VETERINARIANS AND EXPORTERS

This document should not be read as a standalone document but in conjunction with 9088EHC.

Scope of the certificate

This certificate may be issued for the export of reptiles from officially approved establishments, where the certification takes place in Wales, Scotland or England, i.e. Great Britain only.

A note on the English text and translation:

Please note that this certificate is taken from an English translation provided by Portuguese Authorities and the English text is therefore constrained by their model certificate.

Country of origin

Although the certificate has been prepopulated with UNITED KINGDOM, this certificate should and can only be issued for animals that are certified in England, Scotland and Wales (i.e. Great Britain).

Certification

The basic principles of certification apply and although this is not a harmonised EU level EU entry certificate, the general requirements that the EU specifies for its harmonised certificates should be followed.

Entry BCP

Official designation number of the BCP should be used, list for reference provided here: [Designated Border Control Posts \(BCPs\) \(europa.eu\)](#).

The animals will be submitted to checks at the BCP and the BCP should be notified of the arrival at least one working day in advance.

Means of transport

Enter one or more of the following means of transport for animals leaving the country of dispatch, and indicate its identification:

- aircraft (indicate the flight number);
- ship (indicate the ship name and number);
- railway (indicate the train identity and wagon number);

- road vehicle (indicate the registration number with trailer number, if applicable).
- ferry (identify the road vehicle(s) with registration number, and trailer number, if applicable, in addition to the name and number of the scheduled ferry).

Health Attestation

Balai approved establishments or establishments with confined establishment status may be certificated as 'approved and controlled by the Veterinary Authorities'.

Disclaimer: This certificate is provided based on information available at the time and may not necessarily comply fully with the requirements of the importing country. It is the exporter's responsibility to check the certificate against any relevant import permit or any advice provided by the competent authority in the importing country. If these do not match, the exporter should contact the APHA Centre for International Trade, in Carlisle, see the link below.
