

EMPLOYMENT TRIBUNALS

Claimant: JP

Respondent: Spelthorne Borough Council

JUDGMENT

The claim for disability discrimination (claim number 3311674/2021) is struck out.

REASONS

1. At a preliminary hearing on 30 & 31 May 2023, it was determined that the claimant did not satisfy the test of disability set out within s6 of the Equality Act 2010. As such, the claimant's claim of disability discrimination has no reasonable prospect of success.
2. The claimant's two other claims (claim numbers 2301280/2021 and 3311663/2021) remain live. A case management order has been sent to the parties to progress those two claims to a final hearing.
