Enforcement Undertaking

Model or Type of charge point	Breach(es)	Action(s)	Completion Date
Action(s) to secure that the breach(es) do not continue or recur.			
7kW Compact Charge Point Models (all variants)	Regulation 12	Stop all deliveries of non-compliant versions of these products from the third party supplier to Luceco.	Completed before 21 November 2022
7kW Standard Charge Point Models (all variants)		Stop the manufacture of non-compliant versions of these products by Luceco.	Completed before 21 November 2022
7kW Compact and Standard Charge Point Models (all variants)		Stop the sale to Luceco's customers of non-compliant versions of these products by the Completion Date or when current Luceco stock of each model is exhausted, if earlier, and continue the sale only of compliant products	31 October 2023
Action(s) to secure the restoration of the position, in so far as possible, to what it would have been if the breach(es) had not been committed.			
No actions offered.			
Action(s) (including the payment of any sums of money) to benefit any third parties affected by the breach(es).			
No actions offered.			
How the statement of compliance will reflect the areas of compliance with the Regulations, and any areas of non-compliance, for the respective charge point:			
<p>A website will be made publicly available with an updated statement of compliance for the non-compliant version of each product, which will reference the Enforcement Undertaking (if granted) and the areas of non-compliance will be highlighted as above. A suffix will be added to the product code to allow customers to differentiate between the compliant and non-compliant versions of the products.</p> <p>All non-compliant versions of the products sold by Luceco after 31 December 2022 will include in or on the box the website address for the statement of compliance. All</p>			

wholesale customers will be provided with printed copies of the same website address to be attached to any non-compliant versions of the products in stock at this date.
