--

## Enforcement Undertaking

Model or Type of charge point	Breach(es)	Action(s)	Completion Date
<b>Action(s) to secure that the breach(es) do not continue or recur.</b>			
Charge Amps Halo, Aura and Aura 4G	Regulation 5, 9, 10, 11	We are updating the chargers to an OCPP version and updating the Charge Amps cloud application to support the requirements of the Regulations. In addition, we instructed installers to connect affected chargers to an OCPP-compliant Charge Point Management Platform that provides the relevant features.	01 October 2022
<b>Action(s) to secure the restoration of the position, in so far as possible, to what it would have been if the breach(es) had not been committed.</b>			
Charge Amps Halo, Aura and Aura 4G	Regulation 5, 9, 10, 11	We have instructed installers to connect affected chargers to an OCPP-compliant Charge Point Management Platform that provides the relevant features.	01 October 2022
<b>Action(s) (including the payment of any sums of money) to benefit any third parties affected by the breach(es).</b>			
Not applicable at this point in time.			
<b>How the statement of compliance will reflect the areas of compliance with the Regulations, and any areas of non-compliance, for the respective charge point:</b>			
Users of the mentioned charge points will not be able to enable the specific smart functionality or randomised delay unless they are connected to an OCPP-compliant Charge Point Management Platform that provides the relevant features.
