1. MENNEKES AMEDIO Professional Series (dual outlet AC column)
2. MENNEKES AMTRON Professional Series (single outlet AC wallbox)
Technical requirement(s) addressed in the Enforcement Undertaking
1. Regulation 10 (Off-Peak Charging)
2. Regulation 11 (Randomised Delay)

3. Regulation 12 (Security) – Part

Enforcement Undertaking

Model or Type of charge point	Breach(es)	Action(s)	Completion Date
Action(s) to secure that the breach(es) do not continue or recur.			
MENNEKES AMTRON and AMEDIO Professional Series	Regulation 10, 11	Revision of firmware and WebApp interface to offer off-peak charging and randomised delay in full.	31 December 2023
MENNEKES AMTRON and AMEDIO Professional Series	Regulation 12	Revision of firmware and WebApp interface to simplify and secure the software update process. Development of alternative hardware solutions.	31 December 2024
Action(s) to secure the restoration of the position, in so far as possible, to what it would have been if the breach(es) had not been committed.			
MENNEKES AMTRON and AMEDIO Professional Series	Regulation 10, 11	Revision of firmware and WebApp interface to offer off-peak charging and randomised delay in full.	31 December 2023
MENNEKES AMTRON and AMEDIO Professional Series	Regulation 12	Revision of firmware and WebApp interface to simplify and secure the software update process.	31 December 2024
Action(s) (including the payment of any sums of money) to benefit any third parties affected by the breach(es).			
No actions given			
How the statement of compliance will reflect the areas of compliance with the Regulations, and any areas of non-compliance, for the respective charge point:			
<p>The statement of compliance for the MENNEKES AMTRON and AMEDIO Professional Series will mention that the charging points do not currently provide the off-peak / randomised delay function directly from the WebApp (pending firmware update). It will also mention non-compliance with the requirements for and will advise the official source of software updates:</p> <p>https://www.mennekes.org/emobility/services/downloads/software-updates/</p>
