Enforcement Undertaking

| Model or Type of charge point | Breach(es) | Action(s) | Completion Date |
|---|--------------------------|---|-----------------|
| Action(s) to secure that the breach(es) do not continue or recur. | | | |
| ZAPPI – all deviations | Regulation 12 (Security) | Devices will ultimately be made compliant via a firmware update, so there should not be any instance of a device remaining non-compliant. | 24 January 2023 |
| Action(s) to secure the restoration of the position, in so far as possible, to what it would have been if the breach(es) had not been committed. | | | |
| ZAPPI – all deviations | Regulation 12 (Security) | Devices in the supply chain that are not compliant will ultimately be made compliant retrospectively via a firmware update. | 24 January 2023 |
| Action(s) (including the payment of any sums of money) to benefit any third parties affected by the breach(es). | | | |
| ZAPPI – all deviations | Regulation 12 (Security) | We do not believe that any third parties will be negatively affected by the devices being non-compliant as per the technical requirements specified in the Enforcement Undertaking. | 24 January 2023 |
| How the statement of compliance will reflect the areas of compliance with the Regulations, and any areas of non-compliance, for the respective charge point: | | | |
| We will produce a statement of compliance which will be made available to the customer and updated as actions are complete, and this will refer to the Enforcement Undertaking. | | | |
