# Enforcement Undertaking

Model or Type of charge point	Breach(es)	Action(s)	Completion Date
<b>Action(s) to secure that the breach(es) do not continue or recur.</b>			
Webasto Next 11kW and 22kW	Regulations 10 and 11	An over-the-air software update will be released to meet the criteria.	31/10/2023
<b>Action(s) to secure the restoration of the position, in so far as possible, to what it would have been if the breach(es) had not been committed.</b>			
Webasto Next 11kW and 22kW	Regulations 10 and 11	An over-the-air software update will be released to meet the criteria.	31/10/2023
<b>Action(s) (including the payment of any sums of money) to benefit any third parties affected by the breach(es).</b>			
No actions given			
<b>How the statement of compliance will reflect the areas of compliance with the Regulations, and any areas of non-compliance, for the respective charge point:</b>			
The statement of compliance has been completed to reflect the regulations that we currently do not meet and includes dates of when we expect to have the release of the over-the-air updates to make the unit compliant. We have completed our statement of compliance with complete transparency such that the consumer is fully aware of the functionalities that are not compliant.
