| Alert Number | 2205-0165 |
| Product Type | Machinery – Air Compressor |
| Product Identifiers | Brand: Vevor Model Number: 220V-110V-12V SKU: GYDQBZT0000000001v2-2 |
| Product Description | Black metal air compressor supplied with black power supply cord and accessories. Supplied in brown cardboard box with a picture of the product shown on the front. |
| Country of Origin | China |
| Counterfeit | Unknown – plug, fuse and cable are counterfeit |
| Risk Level | High |
| Risk Type | Burns and Electric Shock |
| Risk Description | <p>The product presents a high risk of electric shock as the transformer was poorly constructed, allowing primary and secondary sides to touch and possessed insufficient insulation. Under fault conditions, this can cause accessible metal parts of the product to become live, providing the user with an electric shock if touched. The product also failed the electrical strength and earth bond tests. The product was found to become excessively hot, presenting a risk of burns.</p> <p>The product also possessed a counterfeit plug, fuse and cable, and improvements are required to marking, labelling and documentation.</p> <p>The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.</p> |
| Corrective Measures | <p>The product has been recalled from end users. For further information, access the Vevor recall webpage at: https://uk.vevor.com/pages/Product-Recall-Statement</p> <p>The import has been rejected at the border and destroyed.</p> |
