

Axminster – AT200SM – Spindle Moulder	
Aspect	Details
Images	
Alert Number	2307-0048
Product Type	Machinery – Woodwork machinery used for moulding, rebating and curved work for professional use.
Product Identifiers	Model Number: AT200SM (formerly sold as the WS100TA) Axminster Product Code: 501209
Product Description	Axminster Trade AT200SM Spindle Moulder
Country of Origin	China
Counterfeit	No
Risk Type	Serious
Risk Level	Injuries – Laceration/Amputation
Risk Description	<p>The top guard does not provide adequate prevention of access to the noncutting parts behind, above or at the sides of the fence. The size and rigidity of the fence pressure plate may also not be sufficient to reduce kick-back. Users may be exposed to a risk of injury from contact with moving cutters and ejected parts. BS EN ISO 19085-6:2017 - which gives the safety requirements and measures for stationary and displaceable hand-fed single spindle vertical moulding machines, has not been met. Therefore, the machine does not appear to satisfy EHSR 1.3.7 (risks related to moving parts) and 1.3.3 (risks due to ejected parts) of the Supply of Machinery Safety Regulations 2008</p>
Corrective Measures	<p>The product has been withdrawn from the market. A new guard and pressure plate has been designed. Existing users have been contacted by the manufacturer to notify them of the risks and the availability of replacement parts, and to provide updated user instructions.</p>
