4. FIXED ASSET INVESTMENTS

Listed Investments

	2022 £	2021 £
Market value at 1 January 2022	14,308,495	13,142,324
Additions at cost Disposal proceeds Net (losses)/gains on investment assets	4,952,012 (4,901,188) (2,480,897)	119,097 (935,137) 1,982,211
Market value at 31 December 2022	11,878,422	14,308,495
Cash held for reinvestment	966,698	962,044
Total value of Investments	12,845,120	15,270,539

Investment funds are managed by Cazenove and are held in the name of BALPA Custodian Trustees. A declaration of trust has been executed in favour of the Association.

Other Investments

Investment in BALPA Financial Solutions Ltd	1,000	1,000
Investment in Flightcrew Risk Solutions PCC Ltd	1,613,087	1,613,087
	1,614,087	1,614,087

In 2021 the Union acquired a 100% share of ownership in Flightcrew Risk Solutions PCC Ltd, a protected cell company registered in Guernsey (no. 38865), from BALPA Financial Solutions Ltd. This was completed by means of an in-specie dividend and the investment holding reflects the fair value of the company at the point of acquisition.

5. DEBTORS

Prepayments and accrued income	2022 £ 118,727	2021 £ 477,912
	118,727	477,912

6. CREDITORS: AMOUNTS FALLING DUE WITHIN ONE YEAR

	2022	2021
	£	£
Trade creditors	543,281	376,323
Accruals and provisions	388,237	455,412
	931,518	831,735

7. ANALYSIS OF OFFICIALS SALARIES AND BENEFITS

The remuneration of the General Secretary consisted of:

	2022 £	2021 £
Salary (including non-pensionable pay) Benefits	92,000 532	110,937 5,090
Employers National Insurance Contributions Employers Pension Contributions	12,054 	13,989 8,436
	104,586	138,452

The 2021 figures represented an amalgam of two General Secretaries salaries and benefits as a new General Secretary was appointed mid-year.

8. COMMITMENTS UNDER OPERATING LEASES

At the year-end annual commitments under non-cancellable operating leases as follows:

Land and buildings: Within one year Two to five years	2022 £ 127,860 383,580	2021 £ 31,900
Total	<u>511,440</u>	<u>31,900</u>
Other: Within one year Two to five years More than five years	30,853 67,283	42,765 63,769
	98,136	106,534

9. PENSION COMMITMENTS

The BALPA 1973 scheme continues to operate with the existing members and is a defined benefit scheme for its employees whose assets are held in independent trustee administered funds. Contributions are determined by a qualified actuary based on triennial valuations using the projected unit method, the most recent valuation being at 31 December 2021. In 2008 the BALPA 1973 pension scheme was closed to new participants and a new defined contribution scheme was set up with Standard life. The rates of contribution are Employee 6.5% and Employer 13%.

The Scheme is managed by a board of Trustees appointed in part by the Employer and part from elections by members of the Scheme. The Trustees have responsibility for obtaining valuations of the fund, administering benefit payments and investing the Scheme's assets. The Trustees delegate some of these functions to their professional advisers. There were no plan amendments, curtailments or settlements during the period.

In 2022 exceptional payments were made to the BALPA 1973 Pension scheme totalling £697,500 (2021: £670,000).

The amounts recognised in the balance sheet are as follows:

	2022 £000	2021 £000
Present value of funded obligations	(23,751)	(38,817)
Fair value of plan assets	21,664	26,045
Deficit	(2,087)	(12,772)
Amounts in the balance sheet: Liabilities	(2,087)	(12,772)
Net liability	(2,087)	(12,772)
Changes in the present value of the defined benefit		
obligation are as follows:	2022	2021
obligation are as follows:	2022 £000	2021 £000

THE BRITISH AIR LINE PILOTS ASSOCIATION NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 DECEMBER 2022

1. ACCOUNTING POLICIES

BALPA is a certified trade union with its registered office and place of meeting for business at BALPA, 1 Heathrow Boulevard,1st Floor East Suite, 286 Bath Road, West Drayton, UB7 0DQ.

I. Accounting Convention

These financial statements have been prepared under the historical cost convention and in accordance with FRS 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and the Trade Union and Labour Relations Act 1992.

Going Concern

The NEC continues to be vigilant, since the effects of COVID, and disciplined in staying within planned budgets. Despite demand for our activity increasing, this has meant that the steady increase in our income as flying has returned has been able to provide an increasing buffer against any further shocks.

BALPA has always operated a policy of spending only within our subscription income, developing a healthy investment reserve. Our continued disciplined approach across the last couple of difficult years has enabled us to largely maintain that policy.

The NEC updated their annual budgets and forecasts based on current estimates and considered a number of scenarios which might occur. Having considered in detail the most likely scenario and applied some sensitivity analysis to this forecast they are satisfied that they have adequate cash reserves and investments available to meet their operating cash requirements for the foreseeable future.

Having regard to the above, the directors believe it appropriate to adopt the going concern basis of accounting in preparing the financial statements.

II. Membership Subscriptions

Subscriptions are accounted for on a receivable basis. Arrears and amounts outstanding have been included after making provision for the amounts which are deemed irrecoverable.

III. Fixed Assets

Fixed Assets are stated at historical cost less depreciation.

Depreciation is provided on all fixed assets to write each asset down to its estimated residual value evenly over its expected useful life as follows: -

Office Furniture and Equipment Over 10 years
Computer Equipment Over 4 years
Campaign Equipment Over 5 years

Profit or loss on disposal of tangible fixed assets is calculated as disposal proceeds less opening carrying value.

THE BRITISH AIR LINE PILOTS ASSOCIATION NOTES TO THE ACCOUNTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2022

IV. Financial instruments

The only financial instruments held by the Group are classified as 'basic' in accordance with Section 11 of FRS 102. These are cash, debtors, creditors, loans, and investments. Financial instruments are recognised on the Group's statement of financial position when the Group becomes a party to the contractual provisions of the instrument. Financial instruments are initially measured at transaction price unless the arrangement constitutes a financing transaction which includes transaction costs for financial instruments not subsequently measured at fair value. Subsequent to initial recognition, they are measured as set out below.

At the balance sheet date BALPA held financial assets measured at fair value of £12,845,120 (2021: £15,270,539).

V. Listed Investments

Investments are stated at fair value, being the quoted market price. Where there is expected to be a permanent diminution in market value to below cost, provision is made. There was no such provision at the year-end or at the prior year-end. Investment income is accounted for on a receivable basis.

Movements in the fair value of investments are included in the income and expenditure account as unrealised gains or losses. Profits or losses on sale of investments are recognised in the income and expenditure account when a sale is made.

VI. Other Investments

Other investments are stated at cost and reviewed annually for impairment. Other investments are part of a collective investment scheme that is managed and whose performance is evaluated and reported internally on a fair value basis in accordance with a documented investment strategy.

VII. Cash and cash equivalents

Cash and cash equivalents consist of cash on hand and balances with banks, and investments in money market instruments which are readily convertible, being those with original maturities of three months or less.

VIII. Taxation

Provision for taxation has been made in respect of all income brought into these accounts where such income is subject to taxation. No provision for deferred taxation is made as the Association does not intend to dispose of its investment assets in the foreseeable future.

IX. Legal Costs

The Association accounts for legal fees and related disbursements on an accrual's basis.

X. Operating Leases

Rentals payable under operating leases are charged in the income and expenditure account on a straight-line basis over the lease term.

THE BRITISH AIR LINE PILOTS ASSOCIATION NOTES TO THE ACCOUNTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2022

XI. Pension Costs

The group operates two pension schemes. The BALPA 1973 scheme is a defined benefit pension scheme, and The Standard Life scheme (GSIPP) Group Self Invested Personal Pension is a defined contribution scheme.

The BALPA 1973 scheme

This is an occupational defined benefit scheme. The disclosures required to be made under Section 28 of FRS102 are made in note 11.

The defined benefit pension scheme current service costs are charged within staff costs. The expected return on the scheme assets less the scheme interest costs are charged to net pension finance costs. Re-measurements, comprising actuarial gains and losses, the effect of the asset ceiling and the return on the net defined benefit liability (excluding amounts included in net interest) are recognised immediately in other comprehensive income in the period in which they occur. The defined benefit scheme assets are measured at fair value at the balance sheet date. Scheme liabilities are measured on an actuarial basis at the balance sheet date using the projected unit method and discounted at a rate equivalent to the current rate of return on a high-quality corporate bond of equivalent term to the scheme liabilities. The resulting defined benefit asset or liability is presented separately after other net assets on the face of the balance sheet.

The Standard Life scheme (GSIPP) Group Self Invested Personal Pension

This is a defined contribution group personal pension plan. Employer's pensions costs are charged in the period in which the salaries to which they relate are payable.

XII. Significant judgements and estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities and disclosure of contingent assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. Use of available information and application of judgement are inherent in the formation of estimates, together with past experience and expectations of future events that are believed to be reasonable under the circumstances. Actual results in the future could differ from such estimates. The following judgements have had the most significant effect on amounts recognised in the financial statements:

Legal provisions:

Provision is made for the estimated cost of settling all known claims at the balance sheet date. Judgement is applied, in determining the appropriate level of provision because the actual outcome of the claim can be uncertain until the case is determined and an agreement to settle has been made.

Defined benefit pension valuation

The cost of the defined benefit pension plan is determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, future salary increases, mortality rates and future pension increases. Due to the complexity of the valuation, the underlying assumptions and the long-term nature of these plans, such estimates are subject to significant uncertainty. In determining the appropriate discount rate, management considers the interest rates of corporate bonds in the respective currency with at least AA rating, with extrapolated maturities corresponding to the expected duration of the defined benefit obligation. The mortality rate is based on publicly available mortality tables for the specific country. Future salary increases and pension increases are based on expected future inflation rates and Association policy.

THE BRITISH AIR LINE PILOTS ASSOCIATION NOTES TO THE ACCOUNTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2022

XIII. In addition to the above, the following accounting policies have been applied with respect to the Association's subsidiary companies, both of which operate in the insurance industry

a. Premiums

Premiums are recorded on an "earned" basis, remitted monthly. Outward reinsurance premiums are accounted for in the same year as the premiums for the related direct insurance.

b. Claims paid.

Claims paid include all payments made in respect of the year with associated claims settlement expenses.

c. Insurance claims outstanding

Outstanding claims comprise provisions for the estimated cost of settling all claims incurred up to but not paid at the balance sheet date whether recorded or not, together with the relevant claim's settlement expenses. All reasonable steps are taken to ensure that appropriate information regarding claims exposure is obtained. However, given the uncertainty in establishing claims provisions, it is likely that the final outcome will prove to be different from the original liability established. The estimation of claims incurred but not reported (IBNR) is generally subject to a greater degree of uncertainty than the estimation of the cost of settling claims already notified, where information about the claim event is generally available.

d. Reinsurance recoveries

Provisions for claims are calculated gross of any reinsurance recoveries. A separate estimate is made for the amounts that will be recoverable from reinsurers based upon the gross provision and having made an estimate of their recoverability from market data on the financial strength of each of the reinsurance companies.

e. Underwriting account

The underwriting profit or loss is transferred annually to the profit and loss account after making adequate provisions for known outstanding claims and claims incurred but not reported.

f. foreign exchange movement

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction or, if hedged forward, at the rate of exchange under the foreign currency contract. Assets and liabilities in foreign currencies are translated into Sterling at the financial year end exchange rates or, if hedged forward, at the rate of exchange under the foreign currency contract. All exchange gains and losses are taken to the income and expenditure account.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE BRITISH AIR LINE PILOTS ASSOCIATION (BALPA) FOR THE YEAR ENDED 31 DECEMBER 2022

Opinion

We have audited the financial statements of the British Air Line Pilots Association (BALPA) for the year ended 31 December 2022 which comprise the income and expenditure, balance sheet and related notes included within the AR21 as set out on pages 3 to 23 of the AR21. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of BALPA's affairs as at 31 December 2022 and of its transactions for the year then ended:
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations Act 1992.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Council members' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Council members with respect to going concern are described in the relevant sections of this report.

Other information

The Council members are responsible for the other information contained within the annual report. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Trades Union and Labour Relations Act 1992 requires us to report to you if, in our opinion:

- proper accounting records have not been kept;
- a satisfactory system of control over its accounting records, cash holdings and receipts and remittances has not been maintained;
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Council members

As explained more fully in the statement of Council members' responsibility, the Council members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Council members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

We have been appointed as auditor under section 33 of the Trade Union and Labour Relations Act 1992 and report in accordance with section 36 of that Act.

In preparing the financial statements, the Council members are responsible for assessing the union's and group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council members either intend to liquidate the union or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the recognition of membership income, valuation of the legal indemnity provision and override of controls by management. Our audit procedures to respond to these risks included sample testing of income transactions and indemnity provision valuations, enquiries of management about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence with HMRC and reading minutes of meetings of those charged with governance.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to union's members as a body. Our work has been undertaken so that we might state to union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the union and the union's members as a body, for our audit work, or for the opinion we have formed.

Crowe U.K. LLP Statutory Auditor

London, United Kingdom

rase U.K. LLP

30 June 2023

Membership audit certificate

made in accordance with section 24ZD of the Trade Union and Labour Relations (Consolidation) Act 1992

(See notes 97 to 103)

At the end of the reportign period proceding the one to which this audit relates was the total membership of the trade union greater than 10,000?

Yes

If "YES" please complete SECTION ONE below or provide the equivalent information on a separate document to be submitted with the completed AR21

If "NO" please complete SECTION TWO below or provide the equivalent information on a separate document to be submitted with the completed AR21

Membership audit certificate Section one

For a trade union with more than 10,000 members, required by section 24ZB of the 1992 Act to appoint an independent assurer

In the opinion of the assurer appointed by the trade union was the union's system for compiling and maintaining its register of the names and addresses of its members satisfactory to secure, so far as is reasonably practicable, that the entries in its register were accurate and up-to-date throughout the reporting period?

Yes

2 In the opinion of the assurer has he/she obtained the inforamation and explanations necessary for the performance of his/her functions?

Yes

If the answer to either questions 1 or 2 above is "NO" the assurer must:

- (a) set out below the assurer's reasons for stating that
- (b) provide a description of the information or explanation requested or required which has not been obtained
- state whether the assurer required that information or those explanations from the union's officers, or officers of any of its branches or sections under section 24ZE of the 1992 Act
- (d) send a copy of this certificate to the Certification Officer as soon as is reasonably practicable after it is provided to the union.
