17 July 2023

Dear Mrs Godwin,

**SCREENING DECISION BY THE SECRETARY OF STATE UNDER THE  
ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT)  
(ENGLAND AND WALES) REGULATIONS 2017 (“THE 2017  
REGULATIONS”)**

**NAME OF SCHEME: Hinton Mill Farm, Hinton Parva**

Screening decision for a proposed development (“the proposed development”)  
to:

- Upgrade three spans of existing overhead line from 2-wire to 3-wire.

The proposed development requires Section 37 consent under the Electricity Act 1989 and are subject to the 2017 Regulations.

The Secretary of State has considered the factors set out in Schedule 3 of the 2017 Regulations, together with the information within the supplied documentation (“the Application”) by Southern Electric Power Distribution PLC (“the Applicant”) in relation to the impacts on the environment of the proposed development and the views of the Dorset Council (“the LPA”). In particular, in reaching his decision the Secretary of State notes the following factors:

1. The proposed development does not fall within Schedule 1 (mandatory EIA).
2. The proposed development falls under Schedule 2 of the 2017 Regulations as the electricity line is to be installed above ground in a sensitive area.

## Department for Energy Security & Net Zero

3. The proposed development falls within the Cranborne Chase & West Wiltshire Downs Area of Outstanding Natural Beauty (AONB).
4. The Cranborne Chase AONB Unit were consulted and had no objections to the proposed development.
5. The LPA were consulted and concluded the proposed development is not likely to have significant environmental impacts and there would be no additional visual impact as a result of the works.

Taking account of the abovementioned factors and information received, the Secretary of State concludes that the proposed works are not EIA development under the 2017 Regulations and do not require a statutory EIA as they are unlikely to have significant effects on the environment due to their nature, location and size. A copy of this letter has been sent to the LPA for information.

Yours sincerely,

*John McKenna*
