Hi [REDACTED],

I'm taking over as the Minister's diary manager. I think 10 January would be best for us – how about 10:45 at the Minister's office in London (2 Marsham Street, SW1P 4DF)?

Best,

EXTERNAL EMAIL - This email is from an external source.

Hi Susan,

Thanks for your e-mail and apologies for the delay in response.

The Minister would be happy to meet, however we have a very busy diary for the next few weeks in the run-up to Christmas.

Would you be okay if this meeting were to take place in the first few weeks in January at all?

Please let me know if this would cause any issues.

Best,
[REDACTED]

Dear Minister Pow

I wanted to drop you a note to congratulate you on your return to DEFRA. I know your interest in the wider environmental agenda has been undiminished. Given some time has passed since our last discussion, I hoped that we might meet when you are in the

constituency to have a general catch up. I can of course bring you up to speed on South West Water's progress and the plans we are working on to continue to drive regional improvements on water quality, sustainability and services for our customers. Your work on the Environment Act has been instrumental in shaping how the water industry is now planning for the future, and the commitment South West Water is making to improvement in our network and in our region is paramount to both myself and all of the team.

The Greater South West, I know is important to us both and appreciate that you have a very busy agenda, however I hope that you might be able to find time in the coming weeks to meet for coffee in Taunton or indeed in Westminster if that's more convenient for you.

I look forward to seeing you soon.

Best wishes

Susan
