Alert Number	2308-0011
Product Type	Electrical appliances and equipment – Travel Adaptor
Product Identifiers	The product is CE-marked and is marked with the code PAT200930196087.4.
Product Description	Travel adaptor for multiple plug-types with interchangeable pins for USA, Japan, Australia, Europe and the UK.
Country of Origin	China
Counterfeit	No
Risk Level	High
Risk Type	Electric Shock
Risk Description	<p>The product presents a serious risk of electric shock as it is too small for a standard UK socket, and the plug pins are too close to the edge of the plug. The user could receive an electric shock when unplugging, or plugging in, the plug from the socket. It is also possible to insert a single current-carrying pin, leaving the other live pin accessible. The adaptor was also insufficiently earthed, presenting a risk of fire.</p> <p>The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.</p>
Corrective Measures	The import has been rejected at the border.
