

# HM Land Registry

## Transfer of portfolio of titles (whole or part)

# TR5

**Any parts of the form that are not typed should be completed in black ink and in block capitals.**

If you need more room than is provided for in a panel, and your software allows, you can expand any panel in the form. Alternatively use continuation sheet CS and attach it to this form. This form should only be used where the same transferor transfers **all the titles** to the same transferee.

For information on how HM Land Registry processes your personal information, see our [Personal Information Charter](#).

Enter 'U' in column 1 if the land is unregistered.

In column 2 enter 'W' for a transfer of whole of a registered title, or 'P' for a transfer of part of a registered title. Leave blank if the land is unregistered.

Insert address including postcode (if any) or other description of the property, for example 'land adjoining 2 Acacia Avenue' in column 3. For transfers of part you must either attach a plan and state the reference used to identify the land transferred, for example 'edged red' or refer to an existing reference on the transferor's title plan. Any attached plan must be signed by the transferor.

In column 4 include information that cannot conveniently be included in another panel, such as whether the title is freehold or leasehold, apportioned consideration, differing title guarantees.

When application for registration is made these title number(s) should be entered in panel 2 of Form AP1.

Remember to date this deed with the day of completion, but not before it has been signed and witnessed.

Give full name(s) of **all** of the persons transferring the property.

Complete as appropriate where the transferor is a company.

Enter the overseas entity ID issued by Companies House for the transferor pursuant to the Economic Crime (Transparency and Enforcement) Act 2022. If the ID is not required, you may instead state 'not required'.

Further details on overseas entities can be found in [practice guide 78: overseas entities](#).

The transferor must execute this transfer as a deed using the space opposite. If there is more than one transferor, all must execute. Forms of execution are given in Schedule 9 to the Land Registration Rules 2003. If the transfer contains transferee's covenants or declarations or contains an application by the transferee (e.g. for a restriction), it must also be executed by the transferee.

If there is more than one transferee and panel 10 has been completed, each transferee must also execute this transfer to comply with the requirements in section 53(1)(b) of the Law of Property Act 1925 relating to the declaration of a trust of land. Please refer to [Joint property ownership](#) and [practice guide 24: private trusts of land](#) for further guidance.

Examples of the correct form of execution are set out in [practice guide 8: execution of deeds](#). Execution as a deed usually means that a witness must also sign, and add their name and address.

Remember to date this deed in panel 3.
