Can you claim Wraparound Childcare (WAC)?

With three small children, the cost of childcare... essentially negated me working at all. ...[The Wraparound childcare scheme] has allowed me the opportunity to move into full time employment. As the scheme continues, it will allow me to progress in my career towards a promotion, which is huge for me.

Check if your family can claim up to 20 hours per week of funding for each child attending before and after school care during term time.
