Creating an account on the online FRM system

First thing to note is that this is a two stage sign up process.

The FRM system can be accessed by this link: <u>https://forest-reproductive-materials-forestergis.hub.arcgis.com/</u>

You will be presented with the following screen – this is the FRM system log in page.

Click on the 'Sign up' button – you will be presented with this screen to complete.

Complete the remaining details then click 'Submit'

Once you have submitted this, we will need to approve your account.

<u>Please contact us by email</u> to ask us to approve your account.

After your account has been approved, and you have access to the system, log in - you will see your 'name' where the sign in button was – to the left of that will be a little red number – please click on this – you will then be presented with a message asking you to accept membership to the group for the role you have applied for. You will not be able to do anything in the system until you do this.

Once accepted, please sign out of your account, then log in to your account again. Your account should now be fully functional.

If you have any issues or questions, please contact the FRM team at <u>frm@forestrycommission.gov.uk</u>
