Notify us that you intend to collect Basic Material (this includes Seed and Cuttings)

A Master Certificate can only be applied for and issued if a valid notification has been entered into the system.

- 1. Click on 'FRM Suppliers' tab at the top of the screen.
- 2. Click on 'Request Master Certificate for a Collection'

This will take you to a list of all the seed collection notifications that you have entered in the system. The screen will look like this.

If you have a long list of seed collections, you can filter by species at the top of the screen.

When you click on the seed collection it will present more information such as the location details BMID, etc.
