

ROYAL AIR FORCE
CONTINUOUS WORKING PATTERNS SURVEY

2022/2023

2022/2023 ROYAL AIR FORCE CONTINUOUS WORKING PATTERNS SURVEY (CWP)

- You have been randomly selected to take part in this year's Royal Air Force Survey of Working Patterns. Defence Statistics (Surveys) conducts this survey for the Armed Forces' Pay Review Body (AFPRB). The results from this survey are used as evidence for the AFPRB pay award recommendations each year. It is important that we gain enough responses to provide robust evidence.
- The questionnaire requires you to complete a 7-day diary, recording how much time you spend each day on various types of activity. The questionnaire also asks for some background information to allow results to be compiled for different groups of personnel.
- Your survey will be treated in the strictest confidence. Only civilian researchers outside of the chain of command will see your completed questionnaire. The results of this survey are always reported¹ and presented so that individuals cannot be identified by their responses.

This survey is available for you to complete online. It is recommended you use **Google Chrome** to access the survey. The Token you are asked to enter is your **Service Number** (please use capital letters).

If you are accessing the survey via a **MOD computer** e.g. a MODNET or DII computer, please visit the following internal webpage: <http://bravo.dasa.r.mil.uk/limesurvey/index.php/156487?lang=en>

Alternatively, if you are accessing the survey using a non-MOD computer e.g. personal computer, tablet or mobile phone, please visit the following external webpage: <https://surveys.mod.uk/index.php/156487?lang=en>

You should have received an email invite to the online survey. If you have already completed the survey online then please accept our thanks, there is no further action required.

- You should aim to start completing the questionnaire on the first Monday after receiving it. You can either complete the survey online or on paper. If you choose to complete the survey on paper, please return the questionnaire as soon as possible in the envelope provided. Responses must reach us by 14th May 2023 to be included.
- You do not have to take part in this survey and choosing not to take part will not disadvantage you in any way. By completing and returning the survey you are agreeing to take part in the research.

¹ Continuous Working Patterns (CWP) Survey reports are publicly available via: <https://www.gov.uk/government/collections/armed-forces-continuous-working-patterns-survey-index>
The report of the findings of the 2022/23 CWP survey is provisionally due to be released in September 2023.

- The data controller for this project will be Defence Statistics. The Data Protection Assistant Advisor oversees the processing of these personal data and can be contacted at: Andy.Dorman415@mod.gov.uk.
- UK data protection law is regulated by the Information Commissioner's Office (ICO). If you are concerned about how your personal data is being processed, you may wish to submit a complaint to them. Contact details, and details of data subject rights are available at: <https://ico.org.uk/for-organisations/data-protection-reform/overview-of-the-gdpr/individuals-rights/>
- For advice on completing the questionnaire, or questions on the survey itself, please contact the Working Patterns Helpdesk at Analysis-Surveys-Group1@mod.gov.uk or call 030 016 36856.

If you wish to complete the paper survey instead of the online survey, please return completed survey in the envelope provided to:
