Subject: Section 62A Planning Application: S62A/2023/0019 Land to the north of Roseacres,
between Parsonage Road and Smiths

Responding to the above application. This development is set to further change our local natural countryside. This area has already been hugely transformed by building developments in previous years to something that is barely recognisable to residents who have lived here for years. We don't need fancy footpaths with lighting. We like what we already have.
Please stop destroying our outdoor spaces with man made replacements
