To whom it may concern.

I strongly object to the above planning application.

The roads are completely unsuitable. It is not possible to get on the footpaths without using the Bangers Green Road, the speed limit is not adhered to and the pot holes are horrendous.

This part of Takeley is not lit by street lights and then suddenly having them half way down the road would totally spoil its rural appeal.

There are no school places. Doctors appointments are virtually impossible to gain.

The water pressure is non-existent.

I really hope that you listen to our concerns and oppose this application.

Kind Regards

Keeley Pagliarulo
