Subject: Objection to planning at bull field

To whom it may concern,

I am emailing with regards to the above planning objection. At this present moment in time this village has numerous houses being build on what was once lovely farmers fields that now look like a city housing estate. This village used to be a nice quiet place and now the traffic flow has increased dramatically and the noise level has gone up. You're spoiling our lovely village and making it into a town!!!

Kind Regards
Jayne Neale
