Subject: Section 62A Planning Application S62A/2023/0019

Please see below my letter of objection to the application by Weston Homes as above reference.

I can't tell you or put into words the absolute heartache Takeley residents are feeling from this bombardment of building currently happening in what was a small village. The Stonebond site in Parsonage road, the White House land with homes currently being built, every part of the B1256 is being taken for new homes. A small boy was ran over on Tuesday of this week due to airport Parking that we have to put up with. Along with the building trucks, the aggregate lorries that race up and down Parsonage road the added traffic in this area is a pollution issue as-well as a safety issue. Mr Weston has built enough in this area and to allow him and others to build further would be a disgrace!
From a very miserable resident.
My current view from my home...
