Subject: Application: S62A/2023/0019

Dear Sir/Madam,

I strongly object to the proposed development by Weston Homes as per above application reference.

Whilst the number of houses and the access in this application has been reduced following the previous decline many of the the reasons stated for the decline in the first place are still entirely relevant. The negative impact on the countryside protection zone, affecting local wildlife, the proximity and affect on the historic ancient woodland and the additional strain on local infrastructure and amenities.

Takeley has already had more than its fair share of development and the village will not benefit from anymore.

I trust you will fully consider the detrimental impact this would have on our local community and decline the application.

Yours faithfully

Liz Sessions
